FROM KING LUMINAIRE

## THE WELLINGTON BENCH - KDB30

At King Luminaire, we know that the quality of workmanship is just as important as the design itself. Inspired by

the goal to complement our lighting products, King Luminaire is proud to introduce the KDB30 Wellington Decorative Bench.

Constructed of durable 3/16" x 1 1/2" steel flat bar and a contoured ductile iron frame, the KDB30 offers customers a clean, elegant design. The bench can be custom designed with a plaque inset placed in the bench seat to provide client identification or in memoriam designation. An optional center arm rest is also available.

After being Electro-coated with rust inhibiting epoxy technology, it is finished with King Luminaire's durable "KingCoat" powder coat paint finish, providing a finish with superior outdoor exposure qualities. Available in either 4, 6 or 8 foot lengths, each is equipped with anchor bolt mounting tabs to deter theft or vandalism. The KDB30 offers a tough uncompromising silhouette, yet is graceful enough to blend well with any style of architecture.

Choose from the beautiful array of KingCoat colors and the KDB30 will make a definite statement to any project on which it is used.

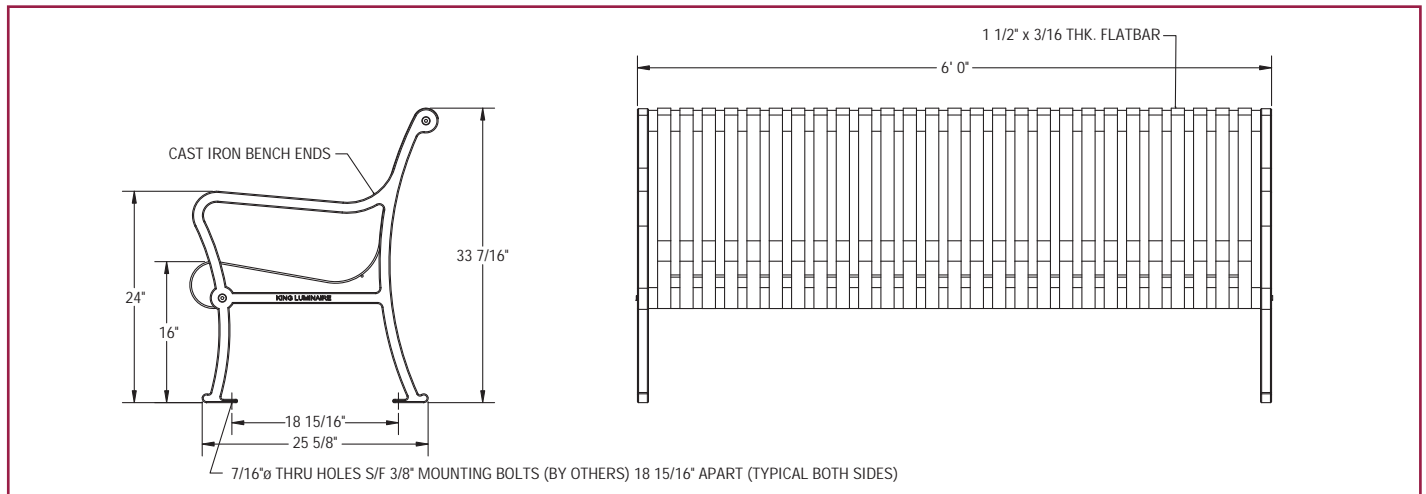

Standard, premium and custom paint colors available, please contact us for details.

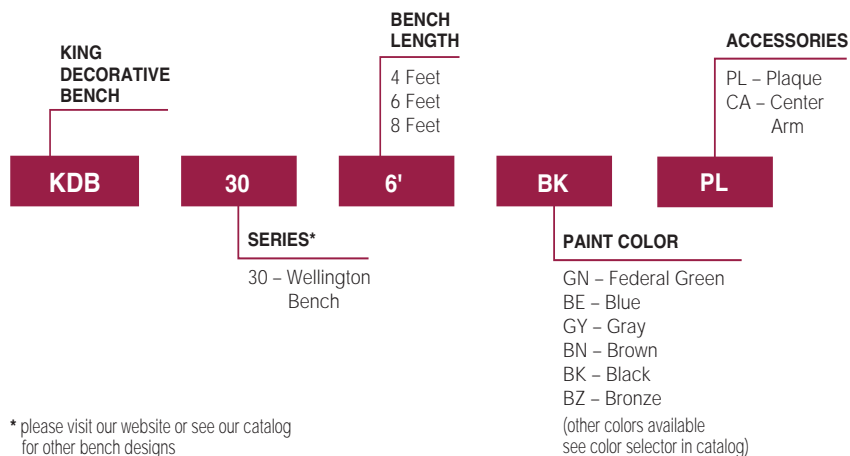

THE QUALITY IS KING. THE DESIGNS, TIMELESS.

# THE WELLINGTON BENCH - KDB30

Simple elegance, vandal resistance and solid construction combine to make the Wellington Bench the first choice for both owner and designer and ensure its acceptance in any setting.
