

Rep Insider Update...

January, 2010

Greg Button, President of The StressCrete Group of Companies is pleased to announce the following appointments;

Royce Fawcett

Royce Fawcett will assume the position of **Vice President and General Manager** of The StressCrete Group's **Midwest Operations** located in Atchison Kansas. Royce began his career with The StressCrete Group in 1989 managing the engineering department in Burlington, Ontario. Since that time Royce was instrumental in the construction, start up, and manufacturing at our Northport, Alabama operation, and most recently had been responsible for the market development, construction, and successful start up and operation of StressCrete's Atchison, Kansas facility.

Academically, Royce is a Mechanical Engineering Technology graduate of Mohawk Collage in Hamilton Ontario and is a Certified Engineering Technologist (CET). In addition he attended numerous General Management Courses at McMaster University offered and recognized by the Canadian Institute of Management.

Michael Schwenger Jr

Michael Schwenger Jr will become **Vice President and General Manager** of The StressCrete Group's **Ontario, Canada Operations**. This will include our oldest StressCrete facility, established in 1953 and our King Luminaire Burlington, Ontario location. Mike has held a variety of roles within the Group for the past 13 years including, Sales, Manufacturing, and General Management.

Academically Mike has an undergraduate degree in Economics and a graduate degree in Business (MBA) from McMaster University in Hamilton, Ontario.
